JUNE WORKSHOPS

The Missouri Mappers Workshops of June 4, 5 and 6 were well attended. Cape had 22 attending, Columbia had 23 and Springfield had 24.

Everyone I spoke with said they learned something from the right-of-way and inking session.

Several people asked about a workshop for beginning mapping or a refresher Course 6, possible this Fall.

Instructors were Mike Epperson with the Missouri Highway Dept., Carl Sohn, Franklin County Mapping Dept. and Rick Sohn, Franklin County Mapping Dept.

Missouri Mappers were very fortunate to have Mike come down from the Hannibal area and do the morning sessions of all three workshops. Special thanks to the Missouri Highway Department and Mike Epperson for their contributions to the Missouri Mapping Association workshops.

We has 22 new members join the MMA during the workshops.
